

YOUR VISION SPECIALIST

DR LAURENCE SULLIVAN

Cataract / Laser Refractive Surgery / Corneal Diseases & Surgery

MBBS, FRANZCO

Dr Laurie Sullivan is a fellowship-trained Corneal Specialist. He specialises in the medical and surgical treatment of diseases of the front of the eye, including small incision refractive Cataract Surgery, Corneal diseases (including Keratoconus Cross-linking, Transplantation Surgery, and Laser Refractive Surgery).

His public hospital teaching appointment was to the Corneal Clinic at the Royal Victorian Eye and Ear Hospital, where he was involved in training Ophthalmology registrars and fellows. Laurie has been a Clinical Associate at the University of Melbourne Department of Ophthalmology and the Centre for Eye Research Australia since 1994.

Laurie was an Examiner for the Royal Australian and New Zealand College of Ophthalmologists. He lectures at the University of Melbourne Department of Optometry and Visual Science. He has lectured internationally. Laurie has been involved in major research projects at the Royal Victorian Eye and Ear Hospital and has authored numerous scientific papers and book chapters.

Laurie has worked overseas volunteering his time for third-world eye camps with the Hollows Foundation in both Nepal and Fiji. He conducted the first-ever Ophthalmology fellowship examinations for Cambodia in 2009 and continues to both teach and examine in Cambodia. He also volunteers his time teaching in Vietnam. He is a founding member of the RANZCO International Development Committee and is also a member of the RANZCO Victorian state branch committee.

He is the Secretary/Treasurer of the Australian Society of Ophthalmologists and a director of LaserSight Victoria. He founded Bayside Eye Specialists in 2005.
