## DR LAURENCE SULLIVAN

MBBS, FRANZCO

Dr Laurie Sullivan is a highly skilled and experienced refractive surgeon who has been a Surgeon/Director of LASERSIGHT Victoria (previously 20/20 Laser Vision) since 1997. He has performed over 6000 successful refractive laser eye surgeries, including PRK and LASIK. His easygoing manner and commitment to providing professional and thoughtful advice has made him very popular with our patients.

Dr Sullivan is one of the few fellowship trained corneal specialists in Melbourne. He specialises in the medical and surgical treatment of diseases of the front of the eye, including small incision refractive cataract surgery, corneal diseases (including keratoconus crosslinking) and corneal transplantation surgery and laser refractive surgery.

His public hospital teaching appointment is to the Corneal Clinic at the Royal Victorian Eye and Ear Hospital, where he is involved in training ophthalmology registrars and fellows. Laurie has been a clinical associate at the University of Melbourne Department of Ophthalmology and the Centre for Eye Research Australia since 1994.

Laurie is an examiner for the Royal Australian and New Zealand College of Ophthalmologists. He lectures at the University of Melbourne Department of Optometry

and Visual Science. He has lectured internationally. Laurie is involved in major research projects at the Royal Victorian Eye and Ear Hospital and has authored numerous scientific papers and book chapters.

Laurie has worked overseas volunteering his time for third world eye camps with the Hollows Foundation in Nepal and also in Fiji. He conducted the first ever ophthalmology fellowship examinations for Cambodia in 2009 and continues to both teach and examine in Cambodia. He is involved in teaching and mentoring Fijian trained ophthalmologists. Laurie also volunteers his time teaching in Vietnam. He is a founding member of the RANZCO International Development Committee.

Laurie is a member of the Royal Australian and New Zealand College of Ophthalmologists, Australasian Society of Cataract and Refractive Surgeons and the European Society of Cataract and Refractive Surgeons. He founded Bayside Eye Specialists in 2005.
