

YOUR VISION SPECIALIST

DR MARC WEI

MBBS (QLD), FRANZCO

Dr Marc Wei is one of our principle specialist LASIK and cataract surgeons. He graduated from University of Queensland Medical School in 1989 and underwent specialist training in ophthalmology at Royal Brisbane, Princess Alexandra and Mater Hospitals in Brisbane, culminating the Fellowship of Ophthalmology in 1998.

Upon completion of specialist training Australia, he obtained further subspecialty training in glaucoma, cataract and paediatric ophthalmology at the Great Ormond Street Hospital for Sick Children and at Kings College Hospital, London, UK.

Dr Wei has been one of LASERSIGHT's principle surgeons since 2000. He is experienced in all refractive procedures including Advanced PRK, LASIK, ICL, lens surgery including multifocal IOL. He has completed over 15,000 procedures!

He is a member of the American Academy Of Ophthalmology, European Society of Refractive and Cataract surgeons and the Australasian Society of Cataract & Refractive Surgeons and is actively involved in research and presentations at ophthalmic conferences.

Dr Wei presents regularly at international conferences and is a lecturer at Bond and Griffith university. He also visits Myanmar yearly to volunteer his time.
