

YOUR VISION SPECIALIST

DR PETER BECKINGSALE

MBBS, FRANZCO

Dr Peter Beckingsale graduated from the University of Queensland Medical School in 1996 and completed his residency and ophthalmology training in Brisbane. He was awarded the ARVO and RANZCO/Allergan scholarships. He then went to England for fellowship training at The West of England Eye Unit and then the Queen Victoria Hospital in East Grinstead where he underwent subspecialty training in corneal, anterior segment and refractive surgery.

Dr Beckingsale's research and clinical interests include corneal transplantation, keratoconus and complex cataract surgery. He is especially interested in using new refractive surgery technologies and techniques including femtosecond lasers to help patients suffering from corneal disease. His expertise in diseases of and surgery for the cornea and anterior segment are significant assets to the LASERSIGHT team.

Dr Beckingsale is a refractive surgeon at LASERSIGHT, working in the Brisbane facility. He is a member of the Corneal Society and the Australian and American Societies of Cataract and Refractive Surgeons. He is a Senior Lecturer at the University of Queensland, Assistant Medical Director of the Queensland Eye Bank and has been a visiting consultant ophthalmologist at the Princess Alexandra Hospital in Brisbane.
